

# JOAQUIN DE JESUS MORATILLO PALACIOS

## VISUAL AND SEQUENTIAL ARTIST

Latino sequential artist and illustrator based in Peru. A variety of techniques and stylistic decisions help me communicate effectively. I love opportunities to grow as a visual storyteller and have a fascination for the the absurd, science fiction and the fantastic. I aim to publish picture books and comics.

## EXPERIENCE

**Comic Book Illustration:** June 2023-Present.  
*Research, story details, penciling, inking, and lettering.*  
Working alongside a writer/historian, the project is a historical graphic novel based on the Byzantine Empire in the 6th century.

**SCADpro- Hasbro:** Hong Kong- Sept.- Nov. 2019.  
*Storyboarding and concepts.*  
Part of a SCAD team that collaborated with Hasbro to assist in development of concepts to celebrate Monopoly's 85th Anniversary in the form of a marketing campaign (focus on digital and social).

**Sophie Animation:** Dalian, China. Jul- Nov. 2016.  
*Rotoscope Frame-by-Frame Animation Intern.*  
Worked as part of a team on key-frame drawing and revision, as well as frame coloring on ToonBoom, as part of the production of a feature-length animated film.

## EDUCATION

**Savannah College of Art and Design/ SCAD- Hong Kong**  
B.F.A. in Sequential Art; minor in Drawing.  
Graduated Spring 2022. GPA: 3.94 (Summa Cum Laude)

**Dalian American Intl. School- Dalian, China**  
High school education.
